## Certificate of constancy of performance

0761 – CPR – 0625

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Product Regulation or CPR), this certificate applies to the construction product

**Pillows for fire sealing and fire stopping purposes  
with the trade names 'FLAMRO BK-N Fire Protection Pillows'**

produced by or for

**Flamro Brandschutz-Systeme GmbH  
Am Sportplatz 2  
56291 Leiningen  
Germany**

in the manufacturing plant

**No. 20.**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the European Technical Assessment

**ETA-17/0904 of 25-10-2017**

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

**constancy of performance of the construction product.**

The fire protection product 'FLAMRO BK-N Fire Protection Pillows' is a compressible, reactive material encased in a bag that is used to close penetrations passing through rigid and flexible wall constructions as well as rigid floor constructions to reinstate the fire resistance performance of constructions.

This certificate has first been issued on 09-11-2017. It will remain valid till 08-11-2022, as neither the harmonised specification, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the product certification body.

Braunschweig, 09-11-2017
