### Additional advice on labelling

The product is labeled in accordance with Regulation (EC) no. 1272/2008 (GHS).

### 2.3. Other hazards

According to Regulation (EC) No 1907/2006 (REACH) none of the substances, contained in this product are a PBT / vPvB substance.

Dust particles, like other inert materials, are mechanically irritating the eyes. May cause irritation of respiratory tract. Aqueous solution is alkaline. May cause eye/skin irritation.

The preparation is low in chromate because the level of sensitizing chromium (VI) is reduced by additives to less than 2 ppm in the cement content of the ready-to-use mortar. Prerequisite for the effectiveness of the chromate reduction is the proper storage and observance of the expiry date (see point 7.2). In case of improper storage (ingress of moisture) or superimposition, the contained chromate reducer may lose its effectiveness.

## SECTION 4: First aid measures

### 4.1. Description of first aid measures

#### General information

Water forms corrosive alkaline solutions. (pH 11 - 11,5) - Reacts alkaline with water and become solid.

Remove contaminated clothing immediately and dispose of safely. Ensure adequate ventilation.

Provide appropriate exhaust ventilation at places where dust is formed. Avoid dust deposits.

#### After inhalation

Take affected person into fresh air. Consult a physician.

Get medical attention, if respiratory irritation develops or if breathing becomes difficult.

#### After contact with skin

Remove contaminated soaked clothing immediately.

In case of contact with skin wash off immediately with plenty of water.

Consult a doctor if skin irritation persists.

#### After contact with eyes

Rinse immediately with plenty of lukewarm water, also under the eyelids, for at least 15 minutes.

Do not rub eyes - contains inorganic fillers, which irritate the eyes mechanically like other inert materials. Rinse thoroughly with plenty of water, also under the eyelids. If eye irritation persists, consult a specialist.

#### After ingestion

Never give anything by mouth to an unconscious person. Do not induce vomiting. Rinse out mouth and give
